
Making Money in Guild Wars 2

Vincent Pansegrouw
Kylie Hornby

Problem statement

There are 25,597¹ purchasable items in Guild Wars 2 that can be salvaged and their component sold on for a profit.

If the highest tier salvage kit is used, it will always return the sigil (weapons) or rune (armour). There are other components obtained that are subject to randomisation (RNG).

¹Correct as at 23rd July 2020

²Salvaging is the process of obtaining crafting materials or upgrade components from other items through use of a variety of salvage kits.

Product Specification

A user friendly Salvaging Insights Tool (SIT) to deliver real time returns valuation of all purchasable items.

→ **Salvage Kits**

The highest tier³ salvage kit must be used.

→ **Expected return**

The salvage will always return the sigil or rune.

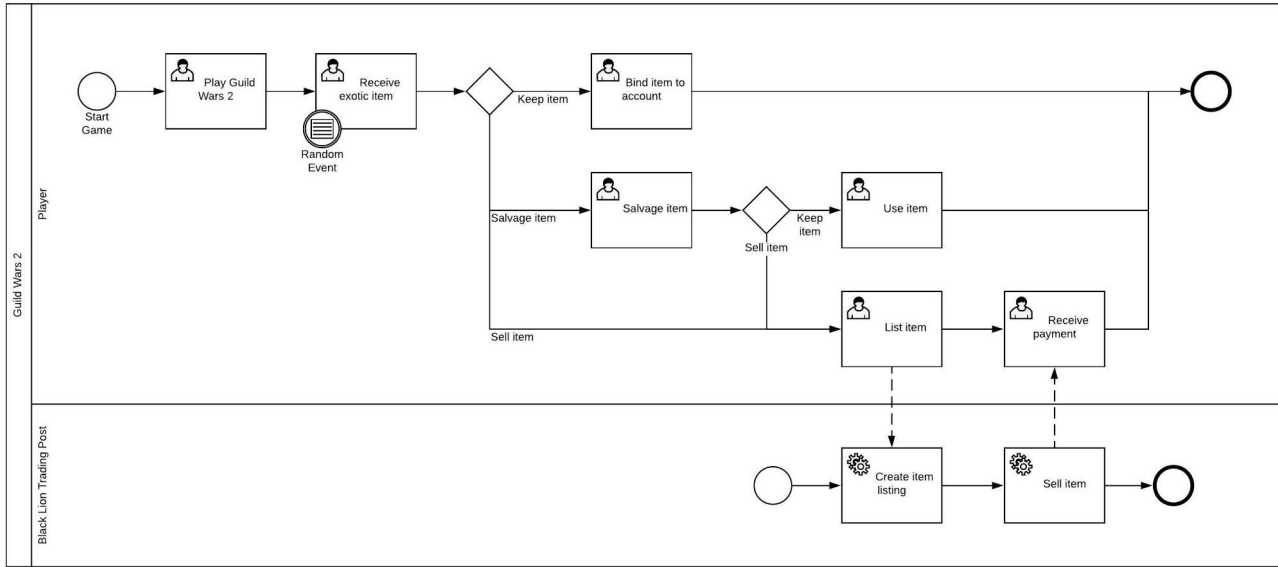

→ **Randomised return**
